

# Guardian Angel Fund to Support Bishop Leibold School

A quality Catholic education benefits not only the student, but also the whole community. Families who send their children to Bishop Leibold often make great sacrifices in order provide their children the opportunity to learn in an environment where rigorous academics combine with solid Catholic teaching. When students graduate from Bishop Leibold, they have a sound foundation from which to grow and become our future. Families who make the decision to send their children to Catholic schools do so after carefully considering how to finance this important decision. Unfortunately, sometimes families find themselves in financial distress for one reason or another: loss of income, unexpected medical expenses, or any number of other tragedies.

Bishop Leibold School has established a Guardian Angel Fund to allow parishioners of St. Henry and Our Lady of Good Hope to assist the school and its families in two ways. Contributors may designate their gifts for families who are struggling to pay tuition due to hardship, or they may choose to have their donations put directly into the school's operating fund. Both ways help make certain that our school can continue to offer an invaluable religious and academic experience to the children of our parish families and ensure a brighter future for all of us.

When a family in St. Henry or Our Lady of Good Hope Parish suffers from a tragedy or hardship, our generous communities come together to assist them in many ways. One way the parish communities can help is to alleviate the tuition burden for families in challenging circumstances. The Guardian Angel Fund will provide tuition assistance to families who suffer unforeseen financial difficulties. Contributors to the Guardian Angel Fund can specify that their donations aid families in need.

Another way to donate is to choose that one's gift goes directly to the school's operating fund. In this way, givers to the Guardian Angel Fund help keep tuition lower for all students and keep the school running smoothly. With its corporal needs provided, the school can better prepare our young Catholics to take their places in the world.

For parishioners, checks should be made to either Our Lady of Good Hope Parish or St. Henry Parish, and placed in the collection at Mass in the special envelopes provided, or may be sent directly to the school utilizing the form below. Both parishes provide Guardian Angel Fund contribution envelopes four times a year, but your donation is welcome any time of the year. If you wish, you made also make your check out to Bishop Leibold School, and send directly to the school with the completed form below.

Contributions are tax deductible, and donations to the Guardian Angel Fund will be included in your year-end contribution statement from either parish.
