Dear Parents or Guardians,

By enrolling your child at Bishop Leibold Catholic School you have decided to partner with the pastoral staff of Our Lady of Good Hope & St. Henry Parishes, the faculty and administration of BLS, and other parents of our school community in providing a Catholic education for your child.

Our school community has every right to be proud of the moral and educational foundation that our students receive at Bishop Leibold. We are a community of BELIEVERS who promote and model lifetime values, serve others and express ourselves in prayer and worship. As a partner in your child's education, it is important that we all try to uphold these lofty standards.

Bishop Leibold is an excellent school that will challenge your child, insure strong academic skills, enhance their Catholic faith, and provide a safe and secure environment. As school principal, I invite you to visit and experience for yourself the special atmosphere that we have at BLS.

Additionally, our school is recognized for its excellence on the national level. Our recent award from the U.S. Department of Education as a Blue Ribbon School of National Excellence was an even greater honor as one of only 50 private schools from across the nation to achieve such an honor.

Please take an opportunity to review the attached registration materials. If you have any questions please feel free to call or e-mail me.

Yours in Catholic Education,

Paul Beyerle
Principal
