

Mission

Bishop Leibold School is a Catholic community of students, teachers, parents, parishioners, and religious working together to develop our baptismal call to serve God's people through prayer, study, and action. We are a faith community actively promoting and modeling the Gospel message.

At Bishop Leibold, we recognize the importance of nurturing the whole student. We are a community that develops and promotes a strong educational foundation that recognizes the capabilities and talents of each individual. Prayer and worship are important expressions of our daily lives.

We are a community that respects life and works to appreciate that gift in our families, neighborhoods and global communities.

Bishop Leibold School

“Be it known to all who enter here that CHRIST is the reason for this school. He is the unseen but ever present teacher in its classes. He is the model of the faculty and the inspiration of its students.”
