

Kroger Card Order Form

Earn your Leibold Loyalty points while doing your grocery shopping!

Using the reloadable gift card through the Kroger Neighborhood Rewards Program to make your purchases allows CommUnity to earn a 4% rebate from Kroger for each dollar generated on your card. In addition, your payments through the reloadable Kroger Card Program will be credited towards your Leibold Loyalty Points.

You will receive 1 point per \$1 dollar loaded on your card.

NOTE: You can give a card to each shopping member of your family, grandparents, friends, college students, etc. Your family name will be linked to all the cards you order so you can receive Loyalty Points credit.

- Use your card for grocery, pharmacy and even retail gift card purchases at Kroger stores.
- Pre-load your card to pay for **gas at Kroger Market Place Stations** - use in conjunction with your Kroger Plus Card to receive your discount at the pump!

Each Kroger card has an initial value of \$1 but can be loaded with up to \$500, using the same card each time. You can load your Kroger card right at the checkout counter **before** the cashier rings up your order, or at Customer Service before shopping. Continue using your Kroger Plus Card for in-store discounts, however this is separate from the reloadable card.

To receive your Kroger card(s), please complete the order form below and return it **with payment** through school in an envelope marked:

"Kroger Card Order", attention Monica Johnson c/o Sheridan (Miss Schwertman).
(make checks payable to "CommUnity Scrip")

Questions?? Please contact Kathy Mazzone at 937-748-4597, or email blsscrip@gmail.com
