CABRINI ATHLETIC BOOSTERS

NEWSLETTER ■ FALL 2008

A LETTER FROM THE PRESIDENT: A NEW PAGE

Before we begin the next chapter of the Booster Club history I would just like to take a moment to thank Bruce and Linda Lukosavich for their many years of service to the club.

There was hardly a game that you didn't find Bruce or Linda behind the counter doing something.

As most of you know they were the people that, with a handful of others, got the junior soccer program of the ground and guided it to the success that it has become.

I only hope that the programs and events that we add to the clubs' calendar are as successful.

We recently held our first meeting of the 2008/2009 schedule, and there were many new faces in the crowd. More exciting than the new faces, were the new ideas that were brought up and discussed. We

have people doing research into the programs as I write this. They will determine the best way to operate the new projects. Our new additions don't stop there, we are even adding new items

on the concession menu. I believe that with new ideas, come new growth, and I welcome your ideas. I also understand that not everybody is comfortable speaking at meetings, so feel free to

call or e-mail me with your idea and I will deliver it at the next meeting. After a discussion at the meeting, if the club thinks it is a good idea, it will be presented to Fr. Joe for the final go-ahead, and you will have helped the club to grow, and I thank you in advance.

With the events and programs we have, and the additional new programs and events planned for the coming months, the club will be hopping.

Thank you,
Tom Cosgrove, President

Here Are Just a Few of the Ideas We Are Looking Into

Here are some of the ideas that were presented to the board over the summer, and that were given the okay to pursue by Fr. Joe, as well as, discussed at the September meeting.

Bio Bags or Discount Cards:
Tentative Date: Soon
Contact: Dennis Orr

The Idea: To sell either bio bags, or discount cards that would sport the Booster logo, as well as discounts to local merchants. When the holder brings the card or bag into the store they will receive whatever discount that is printed on the card or bag. We could realize a profit from the sale of the items, as well as, demonstrating to store owners how many of their customers are Booster families or friends.

Texas Hold'm Tournament:
Tentative Date: January or February 2009
Contact: Bob Carta
The Idea: Poker, concessions, and drinks, 50/50 raffles.

Booster B-B-Q:
Tentative Date: Soon
Contact: Tom Cosgrove

The Idea: To have a mini-concert featuring the band *Fifty-Amp Fuse*, (hopefully), or another great band to put on a three hour show. The club would sell tickets for food and beverages.

The original idea was for a backyard bbq, but after discussion, the consensus is an indoor venue is more reliable.

Flag Football:
Tentative Date: ??

Contact: None yet, we are seeking interested people.

The Idea: To have a six week flag football league, it would be an addition to the junior programs already offered by the club (soccer, t-ball, and softball).

If you have any additional information that would help the club turn these ideas into reality, come to the next meeting and join the discussion. If you can't make the meeting please e-mail your idea to: cabriniboosters@catholicweb.com

Dear Ladies and Gentlemen

It's a brand new page for the Booster Club, with eight members of the board that are either new, or in new positions, we are now in a position to write the next chapter of the club and we hope you will help us write it. The Booster Club's mission is to help support the athletes of the Cabrini parish schools. We sponsor the concession rooms for all home CYO and high school football games, boys' and girls' basketball games, and girls' volleyball games. In addition, we also sponsor junior programs for the youth of the entire area. Our spring and fall youth soccer, and summer softball programs are open to any child. We not only help provide for Cabrini, but for the community as well and we are considering adding new programs and events to sponsor.

Why do we do it? So that our children have the best possible environment to learn sportsmanship and fair play. Good sports, good people.

The Cabrini Athletic Booster Club raises funds to help support the athletic programs for the students of the parish schools. All the proceeds raised by the Booster Club go right back to Cabrini in the form of uniforms, equipment, and most recently, the new sprinkler system in the high school fields, and a new set of bleachers.

One way to continue to make the Booster Club a success and for us to maintain support for future activities is for you to become involved. Now is the time to join and help the organization that supports your sons and daughters. New and renewal memberships are now being solicited for the 2008-2009 school year. A family or business membership paid by mail is a minimum donation of \$40. Two cards will be issued which entitles the holder to free admission to all home CYO events. In addition, you will be entitled to receive two Cabrini Booster Club Polo Shirts. Your donation is not to be confused with the High School Sports Pass, which will be offered separately through the Athletic Department.

Please complete the information below and let us know if you can help the Booster Club in any way. The Cabrini Booster Club Polo Shirts will be available for pickup at the concession stand beginning in the fall sports season; if you wish to have shirts reserved for you please include your shirt sizes below. Come visit our website at www.cabriniboosters.com to check on future activities, and volunteer possibilities.

Please help us continue to write the saga of the Cabrini Booster Club with your time or talents.

We look forward to meeting you and welcome your thoughts and ideas that can help script the future of the Cabrini athletes in your family.

Our meetings are the first Wednesday of each month at 7:30 PM in the Holy Family House.

Thanks for your support!

Sincerely,

Pat Curtin, 2008-2009 Membership Chairperson
