

# Spanish-Language Programming

If you are a producer or programmer who is both committed to excellence and responsive to the needs of the growing Spanish-speaking communities in the United State, you are cordially invited to respond to this call for entries. You may enter your program in one of the following Latino Programming

Spanish-language categories as well as in one of the English-language categories. Programs entered in the categories listed below will be reviewed by Spanish-speaking panels across the country while programs entered in English-language categories will be judged by a panel consisting of at least one Spanish-speaking jury member.
