SEPTEMBER 2011

Labor Day - Monday, September 5

History

Labor Day

The first Labor Day in the United States was observed on August 26, 1878, in Boston, by the Central Labor Union of New York, the nation's first integrated major trade union. It became a federal holiday in 1894, when, following the deaths of a number of workers at the hands of the U.S. military and U.S. Marshals during the Pullman Strike, President Grover Cleveland put reconciliation with the labor movement as a top political priority. Fearing further conflict, legislation making Labor Day a national holiday was rushed through Congress unanimously and signed into law a mere six days after the end of the strike. The September date originally chosen by the CLU of NY and observed by many of the nation's trade unions for the past several years was selected rather than the more widespread International Workers' Day because Cleveland was concerned that observance of the latter would stir up negative emotions linked to the Haymarket Affair, which it had been observed to commemorate. All U.S. states, the District of Columbia, and the territories have made it a statutory holiday.

Pattern of celebration

The form for the celebration of Labor Day was outlined in the first proposal of the holiday: A street parade to exhibit to the public "the strength and esprit de corps of the trade and labor organizations," followed by a festival for the workers and their families. This became the pattern for Labor Day celebrations. Speeches by prominent men and women were introduced later, as more emphasis was placed upon the economic and civil significance of the holiday. Still later, by a resolution of the American Federation of Labor convention of 1909, the Sunday preceding Labor Day was adopted as Labor Sunday and dedicated to the spiritual and educational aspects of the labor movement.

The holiday is often regarded as a day of rest and parties. Speeches or political demonstrations are more low-key than May 1 Labor Day celebrations in most countries, although events held by labor organizations often feature political themes and appearances by candidates for office, especially in election years. Forms of celebration include picnics, barbecues, fireworks displays, water sports, and public art events. Families with school-age children take it as the last chance to travel before the end of summer recess. Similarly, some teenagers and young adults view it as the last weekend for parties before returning to school, although school starting times now vary.

End of summer

Traditionally, Labor Day is celebrated by most Americans as the symbolic end of the summer. In high society, Labor Day is (or was) considered the last day of the year when it is fashionable for women to wear white. In U.S. sports, Labor Day marks the beginning of the NFL and college football seasons. NCAA teams usually play their first games the week before Labor Day, with the NFL traditionally playing their first game the Thursday following Labor Day. The Southern 500 NASCAR auto race was held that day from 1950 to 1983 in Darlington, South Carolina. At Indianapolis, the National Hot Rod Association hold their finals to the U.S. Nationals drag race. Most school districts that started summer vacation in mid June will resume school near this day (schools that had summer begin near Memorial Day will have already been in session for about 3 weeks).

PATRIOT DAY

SEPTEMBER 11, 2011

In the United States, Patriot Day occurs on September 11 of each year, designated in memory of the 2,977 killed in the September 11, 2001 attacks. Most Americans refer to the day as "Nine-Eleven (9/11)," "September Eleventh," or some variation thereof. Initially, the day was called the Prayer and Remembrance for the

Victims of the Terrorist Attacks on September 11, 2001.

U.S. House of Representatives Joint Resolution 71 was approved by a vote of 407-0 on October 25, 2001. It requested that the President designate September 11 of each year as "Patriot Day." President George W. Bush signed the resolution into law on December 18, 2001 (as Public Law 107-89). It is a discretionary day of remembrance. On September 4, 2002, President Bush used his authority created by the resolution and proclaimed September 11, 2002 as Patriot Day.

On this day, the President directs that the American flag be flown at half-staff at individual American homes, at the White House, and on all U.S. government buildings and establishments, home and abroad. The President also asks Americans to observe a moment of silence beginning at 8:46 A.M. (Eastern Daylight Time), the time the first plane struck the North Tower of the World Trade Center on September 11, 2001.

History

A bill to make September 11 a mourning day was introduced in the U.S. House on October 25, 2001, by Republican Vito Fossella (R-NY) with 22 co-sponsors, among them eleven Democrats and eleven Republicans. It passed the House by a vote of 407-0, with 25 members not voting, and passed the Senate unanimously on November 30. It was signed by President Bush, without ceremony, on December 18 as Public Law No. 107-89.

Announcing the 2011 PUBLIC SQUARE ROSARY CRUSADE

America is at a historic crossroad. Secularists are trying to push God from the public square. They reject His beneficial action upon society. But without God, where will our leaders get the wisdom to solve the great problems we face? We must stop the secularist advance and pray to God for help. He will hear us, if we pray through the intercession of His Blessed Mother. That's why we're launching the 2011 Public Square Rosary Crusade. In *The Secret of the Rosary*, Saint Louis de Montfort said: "Public prayer is far more powerful than private prayer to appease the anger of God and call down His mercy, and Holy Mother Church, guided by the Holy Ghost, has always advocated public prayer in times of public tragedy and suffering."

Sister Diocese Collection

My Sisters and Brothers in Christ:

Each year you open your hearts to the people in our Sister Diocese of San Juan de la Maguana in the Dominican Republic through your offering of your time and talent in mission work and your financial support of their economic needs.

This year our Annual Sister Diocese Collection is the weekend of **September 24-25**. This diocesan-wide collection provides the greatest portion of financial support for our ministry with the people of San Juan de la Maguana in the Dominican Republic.

Our major focus in the Diocese of San Juan de la Maguana is education of the people who live in this mountainous region of the Dominican Republic. Here, quality education has traditionally been a luxury for a very few. The five (5) schools our diocese sponsors make a difference every day in the lives of over 350 children and youth in the mountainous region. We fully fund elementary schools and teacher salaries in the mountain region of Los Frios, El Montazo, Los Guayuyos, and La Cucarita. As an extension to our educational ministry, 19 poor high school students are able to attend Loyola Polytechnic High School in San Cristobal and live in our residence program.

You are the hope-filled catalyst as the children and youth obtain academic and social skills ensuring them of a better future. The national academic exam results for the children and youth in schools sponsored through your generosity mirror those of children in high-end, for-profit private schools. These children and youth far exceed public school standardized results.

Today, we also have two of our priests and one of our religious sisters who assist Bishop José Grullón, my brother bishop in the Diocese of San Juan de la Maguana, with Sacramental ministry, catechesis, leadership development and all age faith-formation as Father Fred Ruse, Father Hilario Rivera and Sister Bernadette Mackay lead these beautiful people to a life in Christ.

During the past twenty-eight years, like the laborers in St. Matthew's Gospel, you have tended the talents given to you and multiplied them for the people of the Diocese of San Juan de la Maguana. Today, I ask you again to open your hearts and minds to their reality and assist them with financial support through this annual collection. Please also consider a gift of your time and talent for one of the mission trips to the Diocese of San Juan de la Maguana.

May our Lord Jesus Christ himself and God our Father, who has loved us and given us everlasting encouragement and good hope through his grace, encourage your hearts and strengthen them in every good deed and word.

Sincerely yours in Christ,

Most Reverend John Noonan, Bishop of Orlando

COLECTA ANUAL PARA LA DIÓCESIS HERMANA SAN JUAN DE LA MAGUANA EN LA REPÚBLICA DOMINICANA

Mis hermanas y hermanos en Cristo:

Cada año abren sus corazones a la gente en nuestra Diócesis Hermana de San Juan de la Maguana en la República Dominicana a través de ofrendar su tiempo y talento en la labor de la misión y el apoyo financiero de sus necesidades económicas. Este año nuestra colecta anual para la Diócesis Hermana es el fin de semana del 24-25 de septiembre. Esta colecta diocesana proporciona la mayor parte del apoyo financiero para nuestro Ministerio con el pueblo de San Juan de la Maguana en la República Dominicana.

Nuestro enfoque principal en la Diócesis de San Juan de la Maguana es la educación de las personas que viven en esta región montañosa de la República Dominicana. Aquí, la calidad de la educación ha sido tradicionalmente un lujo para unos pocos. Las cinco (5) escuelas patrocinadas por la diócesis marcan una gran diferencia en la vida de más de 350 niños y jóvenes en la región montañosa. Financiamos plenamente las escuelas primarias y los sueldos de los maestros en la región de las montañas de Los Frios, El Montazo, Los Guayuyos, y La Cucarita. Como extensión de nuestro ministerio de educación, estudiantes de 19 escuelas pobres podrán asistir a nivel superior (bachillerato) en el Politécnico Loyola en San Cristóbal y vivir en nuestro programa de residencia.

Ustedes son el catalizador de esperanza para que los niños y jóvenes obtengan habilidades sociales y académicas - garantía de un futuro mejor. Los resultados del examen académico nacional para los niños y jóvenes en las escuelas patrocinadas con su generosidad igualan aquellos de los niños en las escuelas privadas de alto nivel social y con fines de lucro. Estos niños y jóvenes superaron los resultados de los exámenes estandarizados de la escuela pública.

Hoy, tenemos dos de nuestros sacerdotes y una de las hermanas religiosas que ayudan al Obispo José Grullón, mi hermano obispo en la Diócesis de San Juan de la Maguana, con el Ministerio Sacramental, la catequesis, el desarrollo de liderazgo y formación de fe de todas las edades. Estos son el Padre Fred Ruse, Padre Hilario Rivera y la Hermana Bernadette Mackay quienes dirigen a esta hermosa gente a una vida en Cristo.

Durante los últimos 28 años, como los obreros en el Evangelio de San Mateo, han tendido a los talentos que les dio y los han multiplicado para el pueblo de la Diócesis de San Juan de la Maguana. Hoy, les pido una vez más abrir sus corazones y mentes a su realidad y ayudarles con el apoyo financiero a través de esta colecta anual. Considere también el regalo de su tiempo y talento para uno de los viajes de misión a la Diócesis de San Juan de la Maguana.

Que nuestro Señor Jesucristo y Dios nuestro padre, que nos amó y nos dado aliento eterno y esperanza a través de su gracia, aliente sus corazones y los fortalezca en cada buena obra y palabra.

Sinceramente suyos en Cristo,

Reverendísimo John Noonan, Obispo de Orlando
