

HOLY TRINITY SCHOOL

COMPUTER USAGE AGREEMENT 2008/09

Use of the Internet for educational purposes necessitates the following guidelines:

- It is illegal and unethical to copy software or any file while using a school computer.
- It is against school policy to load software from home onto a school computer.
- It is against school policy to copy or change the content of files on any school computer.
- Any information found on the Internet and used, must be properly credited. Material must be checked for copyrights.
- Use of computers is a privilege. As an expensive piece of equipment, it should be handled with care in order to avoid damage. All students are expected to treat all computer equipment with care and respect.

Failure to follow the above guidelines could result in revocation of Internet privileges.

Misuse of equipment:

- 1st offense - warning to the student/s with a note or call from the teacher
- 2nd offense – detention
- 3rd offense – loss of computer privileges (determination of time at teacher/administrator discretion)

We have read the information above and our signature indicates our acceptance of the guidelines and consequences.
