

HOT LUNCH INFORMATION

Dear Parents,

Hope everyone had a good summer. Enclosed is your first hot lunch order for this school year. You will receive a new order form every four weeks in your Communication Folder. If you do not receive one, please let Pam Czarniecki know and she will get one to you. As in the past, if your child does not use all the lunches you order (due to illness, dentist/doctor appointments, etc.), you may use these as credits on your next order. Unused milk credits cannot be carried over.

If you know your child has credits, you may deduct these on your hot lunch order form. Credit slips will be sent out periodically only to students who take hot lunch everyday. If your child does not take hot lunch everyday I am unable to do credit slips for them since I do not know what days they plan on taking hot lunch. You may call me anytime at home (784-5597) or school (784-0696 ext. 24) to check on your credit status.

Please note the due date on your order form. A **\$5.00 late fee** will be charged for late orders.

Also, all accounts must be kept current. Unfortunately, we cannot extend "credit" to any student. If a child orders hot lunch in the morning, but we have not received their hot lunch order form and payment, we cannot serve them. You will be called and asked to bring your child a cold lunch.

Please mail this first order to: **Judi Mason**
 5251 Larkin Ave. N.E.
 Comstock Park, MI 49321

Sincerely,

Judi Mason
