

Just Who Do You Think I Am?

Organization Commission Workshop by Rose Schuhmacher

IMAGE – One man's perception is that man's realityso, how do people perceive us?

Some brainstorming to do with your board.

Why did you join the CCW?

What do you like best about our affiliation?

If you were president and money was no object, what would you do to make this group better?

Have you invited anyone to join this affiliation in the past year?

Do you think of us as more than a church group?

What things are you aware of or involved in because of the CCW?

Do you think we make a positive impact on our community?

Do you think anyone outside our parish knows we exist?

Let your light shine for al of the world to see!

Start with your own affiliation and parish – LET PEOPLE KNOW WHAT YOU DO!

Celebrate the women in your group – if a member gets an award in the community – sing her praises loud and clear for all to hear

When you do a special fund raiser – include the community – advertise that you are holding a food drive for the poor or school supplies for the needy

SMILE – Get the camera ready to take pictures of all the items you collect for charity – a picture is worth a 1000 words

We must first perceive ourselves as worthy before we can sell ourselves to the world.
