THE NORTH AMERICAN  
FORUM ON THE CATECHUMENATE

## THE EVANGELIZING PARISH: VISION, PASSION, PRACTICE

In partnership with  
**Sacred Heart Parish, Valley Park (MO)**  
**(Archdiocese of St. Louis)**  
**September 16-17, 2011**

### What does this Institute hope to achieve?

- ▶ This formative event will break open the Church's vision of evangelization and its still-unrealized potential for creating parishes whose focus is on Christ's mission in their communities and the larger world.
- ▶ Through times of prayer, presentation, reflection, and faith-sharing, participants will be drawn deeply into this vision and its implications for their own lives and the lives of their communities of faith.
- ▶ They will deepen their passion for Christ's mission and their understanding of how this mission can take further root in their own lives and the lives of their parishes.

### Who will benefit from this Institute?

Participants would include all Parish Leaders: Ordained, Lay, Paid, Volunteer, and all Ministry Coordinators (e.g. Liturgical, Educational, Social Outreach), etc. The Institute will help a Parish's Leadership embrace the Church's vision of Evangelization together.

A downloadable brochure will be available at Forum's website [www.naforum.org](http://www.naforum.org) at least six months prior.
