Other information:

The focus of music ministry is to praise God, and the choir provides the unified voice of many to enhance the spirit of worship. Membership in the choir is open to all ages. Previous choral experience and the ability to read music is not required, although they are useful. The principal criteria for membership in the choir are a pleasant voice, a strong affinity for singing in an ensemble, and the ability to participate in periodic rehearsals (currently Wednesday evenings from 6:45PM to 8:00 PM).
