“Leading Teens Closer to Christ”

Our parish’s youth ministry program along with the international Life Teen Community believes that “Eucharist-based ministry has the power to transform teens, transform parishes, and transform culture.” Through catechetical education, spiritual formation, and Catholic community, our high school youth program aims to lead our teens to a deeper love for Christ and His Church so that they might discover and live their vocations well and ignite the world with the love of Christ.

“Life Night” Sundays 6:30pm – 8:30pm
