Am I grateful for God’s Gifts?

My Gifts are ...

When I am ...

Sharing,
Helping,
Caring,

I am a
Partner
with
GOD
in
Creation

Good Stewardship is ...

Sharing what I have ...

Such as ...

- Give part of my allowance (or wages) to God in Church.
- Let others enjoy my toys and games.
- Take time to visit someone who is lonely or needs a friend.

Helping other people ...

Such as ...

- Clean up after myself without being told.
- Do chores around the house, even when they aren't my jobs.
- Look for ways to help around church and school.

Caring for God's world ...

Such as ...

- Clean up trash whenever I see it, reuse and recycle.
- Take care of my pet, I won't leave it for someone else to do.
- Look for opportunities to teach my skills to others.
