Dear Parents/Guardians:

The PTG Board is pleased to announce the “new & improved” Heinz Field fundraiser! Effective immediately, families will earn a **\$35.00 tuition credit** for each game worked.

After talking and working with volunteers from Oakland Catholic and Central Catholic, we discovered this is the way most schools manage their fundraising programs. We want the St. Sebastian program to be run in the same manner in order to be fair with our volunteers and consistent with other schools.

In terms of how tuition credits will be paid ...

Any family that has paid their tuition in full will receive their credit (along with any Market Day or certificate credits) via a check in February, 2010.

In addition, any family who pays tuition via “Tuition Management Systems” will see a credit post to their tuition in February, 2010.

Please note that any volunteer who worked the *Pitt vs. YSU* game, *Steelers vs. Titans* game, or *Pitt vs. Navy* game has already earned a \$35.00 tuition credit.

Please feel free to call or send me an email if you have any questions or would like to know your total tuition credits earned.

Thank you!
