

Welcome to FIRST GRADE! I look forward to working with you and your child this coming school year. This is a very important time of your child's academic life as the first grade year seems to set the educational foundation for life. It is always very interesting for me to observe the great strides that your child will make from the first day of school to the last. It is most rewarding. The First Grade Parent Meeting will be held on Monday, August 9th at 5:30 in my classroom. I encourage both parents to attend. Have a good summer and I will greet you in August. Thank you.

Mrs. Reed
