

St. Agatha Academy

*Dear Parent/Guardian,*

*It is with my sincere pleasure that I welcome your interest in the Saint Agatha Academy's Extended Day Enrichment Program for after-care services. As Director of the Extended Day Program at SAA, I look forward to getting to know both you and your child.*

*With a new, Saint Agatha Academy operated Extended Day program, you can expect the same commitment to your child's enrichment experience as you do with their daily school activities. I am committed to the partnership of providing vibrant learning experiences that include the promotion of the student's physical, emotional, social, and intellectual growth and well-being.*

*The SAA Extended Day Enrichment Program will include a homework program, healthy snack, and diverse activities to support and challenge each student.*

*As we collaborate in creating an exceptional opportunity for enrichment activities, I anticipate that you and your child(ren) will have ideas, unique talents, and varied interests. I encourage you to share your interests, as I will explore the opportunity for your child to participate in plentiful and varied activities.*

*With a diverse background in education, creative and performing arts, and a zest for learning, I am truly excited to be part of the unique community of Saint Agatha Academy and equally thrilled that your child will be part of the Extended Day Enrichment Program!*

*Sincerely,*

*Katie R. Fotiadis Stangarone*
