Catechesis of the Good Shepherd

What will be different this year for your preschooler of kindergartner this year? We are happy to announce that St. Joseph Shrine will be opening a Level I Atrium (serving 3-6 year olds') this fall. It will take the place of our traditional kindergarten class room.

In a very special room called the "Atrium"-prayer, work, and community spirit will all come alive. As soon as you walk into the atrium, there will be a sense of a "presence" that all of us long for. It feels sacred, intimate, and peaceful. Scripture, Liturgy and the traditions of our faith will be evident in the concrete materials. They will serve as guides with carefully prepared presentations for the children's reverent use. The children will meet the Lord in a personal way.

Norma Tackett went through the Level 1 training along with Diane Dover. Norma will be the catechist.

Many people offered their talents in creating the material for the atrium. We would like to thank Wally Tackett, Alice Podczervinski, Loretta Laubaugh, Barbara Griffith, Dodie Gainsley, Anne Murphy, Gene Hausmann, Steve Rolak, Richard Smith and the Altar Society for their donations.

*Pet blessing
Saturday
October 8th
10 am
family center
parking lot*
