Where Do We Stay?

Local church family life centers or parish gymnasiums. Bring your sleeping bag and an air mattress. There are separate sleeping areas for guys and gals.

What Kind of Work Will We Do?

Each day will be spent renewing homes by doing such things as painting, basic construction work and plumbing, caulking, housecleaning, roofing, and spending time in prayer with the families we are serving.

Our days of service begin with prayer

How Well Supervised and Safe is the Home Works Program?

Home Works takes supervision and safety very seriously. First Aid kits and responsible adults are on hand at every work site. Safety goggles and gloves are provided for everyone attending. Plenty of cool liquids and breaks are provided throughout the day. All youth should have personal health and medical insurance. Medical facilities, if needed, are located a short distance from every site.

How Do We Spend Our Free Time?

Time is spent in fun, laughter, prayer, music, singing, reflection and messages which center on Christ's love and his commandment to serve one another. Young people and adults will be spiritually renewed both during and after their participation.
