

What is the Cost?

HomeWorks asks for a donation of \$150 from each participant to cover the cost of building materials. Home Works is staffed solely by volunteers; there is no paid staff. All of the funds are applied toward the homes that are repaired. The initial deposit is \$50, due by May 15th. Be creative and persistent in finding a way to come. Ask your church or parish members to sponsor you or hold a fundraiser with your youth group! Local businesses in the past have also donated supplies or helped with the cost to attend. All food and lodging is provided for.
