

## We are looking for your input!

The Parish Pastoral Council has been reflecting on the Community Dimension of Parish Life at St. Robert's. Some have observed that as St. Robert's has grown, it is more difficult for people to get to know each other. Recent years have seen less events in the parish that bring people together.

The Pastoral Council wants to know what kind of events might interest you. What would you be most likely to attend? What would be of enough interest that you might even work to help make the event happen?

Our own brainstorming session came up with the events listed below. None are meant to be primarily fund raisers. All of them are primarily what I think of as "Fun Raisers." Some could be both. For example, auctions are great fun, bringing people together for a good time. They can raise funds for a worthy cause.

If you have any thoughts to share, please let us know before the next Pastoral Council Meeting on February 24. Go to our website ([www.strobertchurch.org](http://www.strobertchurch.org)), send an e-mail ([lsudlik@strobertchurch.org](mailto:lsudlik@strobertchurch.org)), or send your comments to me at St. Robert's using this bulletin cover. We hope to hear from you.

~ Fr. Len Sudlik & Pastoral Council
