All Souls Catholic School || 2009-2010 Annual Fund

December 2009

Dear Friend,

The Annual Fund is an integral part of providing an exceptional education to our students. Through these economic times, our tuition has not been able to cover the full cost of the All Souls experience. Annual Fund dollars are there to create opportunities for learning and growth that might not have been available otherwise might not exist.

Participation in the Annual Fund by alumni, parents, friends, faculty and staff also is important because it indicates the depth and breadth of confidence in All Souls by those closest to it. Like each piece in a mosaic, every donor and every gift is vital to maintaining the ongoing strength of our school... year after year.

Your gift this year will be used for technology, scholarships, as well as to help to continue growing our endowment.

Thank you to all of our contributors to the 2008-09 Annual Fund. We are thrilled to announce that we surpassed our goal of \$25,000 last year and raised \$26,700. This enabled us to utilize the contributions to assist with one of our missions, providing Catholic education to all. \$13,350 was used for scholarships and helped many of our families keep their children here at All Souls as well as gave the opportunity to some new children to attend our wonderful school. We had 316 donors last year and would love to challenge each of you to participate and help us grow into a much stronger All Souls Catholic School Community.

Thank you on behalf of all our students here at All Souls Catholic School. Please find enclosed your Commitment Form and a special gift for you to keep. Should you have any questions or need additional information please do not hesitate to contact the Development Office at 407-322-3795 or annualfund@allsoulschool.org.

Your generosity has been greatly appreciated.

May God bless you abundantly!

Sincerely,

Fr. Richard Trout
Pastor

Principal
