## Grand Knight's Message

Brothers,

Lent is a time for reflection. We should all look at ourselves and examine how and what we are doing to make this a rewarding time in our spiritual lives. We are called upon to exemplify the principles of the Order. By participating in the projects of the council we are assisting others in many ways. When we look at what we have accomplished, we must ask myself how we actually interacted with those who really in need. By exploring the various areas of service, I see many opportunities.

Church - Take part in perpetual Eucharistic Adoration at the Chapel.

Community - Participate or promote an adopt-a-highway program.

Council – Help plan an event that promotes the unity of our Council.

Family – A family that prays together stays together. Start a family Rosary.

Youth – Support our youth and participate in our Columbian Squires circle.

Membership – Ask a practicing Catholic gentleman to join our Order, and get him involved.

If we took these examples and implemented them, we would be even more active within the parish and community. We are mid-way through the season of Lent. Let us look forward to the Easter season with a renewed spirit of commitment.

God Bless, Rich Trapani

All author proceeds from the sale of this book will go to Knights of Columbus Charities.

### ***Fight the RHAPP!***

Eliot Spitzer, governor of New York, has introduced a bill designed to ensure that abortion will remain legal in New York State should Roe-v-Wade be overturned by the U S. Supreme Court. Named the **Reproductive Health and Privacy Protection Act**, this bill, if it should become law, would once again enforce a climate of murder of the unborn with few restrictions or repercussions. This bill would:

- Shield abortion providers from prosecution in cases of malpractice.
- Modify the NYS Penal Code so that situations of coerced abortion, abortions performed by unauthorized clinics, or other back alley scenarios cannot be prosecuted.
- Remove the requirement that abortions be provided by duly licensed professionals, so that unlicensed practice is not a criminal offense.
- Prevent medical examiners from investigating deaths caused by criminal abortion.
- Prevent abortion providers from being tried for manslaughter, for abortions which lead to a woman's death.

**Please pray for the defeat of this measure.** If you would like to contact Governor Spitzer and voice your disapproval, use the address and phone number below.

## **Pot-Luck Dinner and Family Night**

Our monthly pot-luck dinners have been gaining in popularity, and have given our families and friends the opportunity to share and celebrate. Over the past few months, we have had several very interesting and informative speakers who have enlightened us with subjects ranging from fire safety in the home to the ethics of stem-cell research. Please join us on the fourth Thursday of each month to see what we mean. Our pot-luck dinner starts at 6:00PM, followed by a guest speaker at 7:00PM. Bring your family and friends, and prepare a food dish to share with us. For more information, contact our Lecturer, Deacon Richard Trapani Sr., at 344-1087 or 342-7188.

### **Fourth Degree Exemplification**

Spring is nearly upon us, and so is the annual Fourth Degree exemplification, scheduled for Saturday, April 12<sup>th</sup>. It will be held at the Holiday Inn in Fishkill, New York. If you are interested in making the Fourth Degree, you must apply as soon as possible. There is a financial cost involved for this degree. In order to be eligible, you must be a Third Degree Knight in good standing with at least one year of service in the Knights of Columbus. For more information, please contact Faithful Navigator Michael Cummings at 733-5345 or visit their web site at [www.assembly762kofc.catholicweb.com](http://www.assembly762kofc.catholicweb.com).

### **2008 Council Dues**

So far, we have had a positive response with many of our members returning their 2008 dues payments promptly. If you have not yet done so, please mail your dues as soon as possible. If you are experiencing a financial or a medical hardship and cannot, please inform Grand Knight Rich Trapani at 956-6383 or Financial Secretary Jim Higgins at 360-2454. Arrangements will be made for special circumstances. Be assured that all contacts will be kept strictly confidential.

### **Membership in our Order**

Membership in the Knights of Columbus is open to any practicing Catholic gentleman, 18 or over. As Brother Knights, we have an obligation to invite others to join. If you know of someone, ask him. Always keep a membership form handy. Please contact Chancellor Michael Biondi at 343-1285 for more information.

## **Field Agent's Corner**

Insurance for long term care is increasingly beneficial as people live longer and require either limited assistance or nursing home care in greater numbers. Custodial services such as bathing, eating and dressing are not generally covered by Medicare, and nursing home care can cost upwards of \$45,000 per year. These financial realities may force you to deplete assets or to rely on your family for help. If you require nursing care, you might have to ask your children for help just when they're ready to send their own sons or daughters off to college -- a common dilemma among middle-aged people today which causes experts to refer to them as "the sandwich generation".

**Knights of Columbus Care** can give you peace of mind. This is a tax-qualified plan available to members and their spouses, ages 40 through 85 (subject to underwriting requirements). Coverage can be tailored to your needs, giving you control over the type of coverage; the daily benefit amount, benefit duration, and elimination period; and the premium you must pay. The policy is guaranteed to be renewable, and a guaranteed purchase option assures you of obtaining added coverage as needed.

I can help you with your Knights of Columbus Insurance needs. Please give me a call today.

Sincerely and fraternally,

William J. "Bill" Schimpf

### **Eucharistic Adoration**

Many benefits are gained through the devotion of our Lord Jesus Christ, who is truly present for us in the Blessed Sacrament of the Eucharist. Fortunately, perpetual adoration is available at the Blessed Sacrament Chapel behind Saint Joseph's Church in Middletown. Our Council participates in an hour of Eucharistic Adoration every Wednesday evening from 8:00-9:00 PM. In addition, many of our members and their families partake in an additional hour of their own. Are you interested? All it takes from you is a small commitment to establish a personal relationship with the Lord. If you would like more information, or would like to sign up, please contact Jim Higgins at 360-2454.
