

# Welcome to our WEB site

## Web Site Mission Statement

The goal of the WV Blessed Sacrament WEB Site is to:

- Support God's mission in the world today.
- Provide a medium to keep members of the Blessed Sacrament apprised of new and recent Parish events.
- Provide a medium for people outside of the parish an opportunity to view our parish family and their activities.

It is my prayer that your experience visiting our WEB Site is a Blessed and Enjoyable experience.

We make an effort to post the faith experiences and articles of our parish's most recent activities on this site. We want to make your visit a pleasant and Christ filled experience.

On this site there are pages describing our faith formation effort and our youth activities, as well as pictures of our social events as a Christ Centered Community. There is a list of organizations that actively support our parish in different ways and descriptions of some of their activities. Recent Homilies are published here. And, there are forms on the site for you to let us know your interests if you would like to take a more active role in the parish.

As Webmaster, I am always open to suggestions for improvements to the site. I am actively looking for ways to publish events that help our parish community grow in their service to God, to each other, and to all of God's children.

If you have any corrections, suggestions on improving the site, or ideas on parish activities that you would like to see published, please don't hesitate to email me at [robert.joseph.lucas@live.com](mailto:robert.joseph.lucas@live.com).
