

BISHOP LEIBOLD SCHOOL

HOME - SCHOOL COMMUNICATIONS

THE FAMILY CARRIER

Throughout the year, many home-school communications, including the school newsletter are sent home. In the past we sent communications home with the youngest child in the family. To improve communications, we are asking families to select one student in the family as the designated "family carrier".

Please discuss with your students the important responsibility of this job. It can be the youngest, oldest, or someone in-between. List your family's chosen "carrier" below. All correspondence will be routed to this person who will do a super job! Thanks for your help.
