

## **GOSPEL ROADS APPALACHIA APPLICATION**

### **A Catholic Service/Leadership Program**

**(Sponsored by the Salesians of Don Bosco, Eastern Province)**

The Church's *"Youth ministry should call youth not only to join programs, but to join with others in living our Christian mission to share the Good News, live in community, and serve others in love and justice."* Jesus came to reveal God the Father and give us a new commandment: *"Love one another."* (John 15:12) God is love! What moves us to share the Gospel is that God loved us **first**. The **Gospel Roads Program** affords teens and young adults the opportunity to step out of themselves and serve others out of love. Serving the poor is a concrete example of charity, of true love. Our service contributes to the building of a *"civilization of love."*

**Gospel Roads** is a weeklong experience of service to the poor which includes leadership training, communication skills building, community living, personal reflection, prayer, and much more!

Gospel Roads Appalachia will take place from **June 7, 2009-June 13, 2009**. The project will be based in Eastern Kentucky within the region known as Appalachia. Registration is open to all high school age youth (Grades 9-12) within the Diocese of Lexington, as well as Salesian high school youth.

The registration cost for the program is **\$250.00** which includes room, board, meals, and training materials.

**Applications are due by March 1<sup>st</sup>, with a \$50 refundable deposit.**

A discernment process will then occur to determine the individuals that will be accepted into the program. If you apply after this date and slots are remaining you will be placed on a waiting list and the same process will occur for you.

***Please submit this application as soon as possible as this project is limited to 30 participants.***
