The Vision of Catholic Youth Rural Outreach

- Catholic Youth Rural Outreach coordinates all elements of an area-wide vision of "Total Youth Ministry" in association and collaboration with staff and volunteers in the participating Parishes.
- CYRO creates youth ministry opportunities both inside and outside the regular confines of individual parish models.
- CYRO works with and guides participating parishes to insure that the eight ministry components of *Renewing the Vision* (USCCB Document on Youth Ministry) are developed with their specific youth ministry program.
- CYRO assists in parish assessment, develops parish goals for youth ministry (both long and short term) as well as implementation of action to reach those goals.
- CYRO maintains a realistic availability schedule for each of the participating parishes based on their publicly communicated needs and wants.

What you are supporting...

- **Junior High Rally:** annual JH gathering for entire vicariate. This is an overnight gathering with around one-hundred participants. It is an incredible opportunity for High School peer to peer ministry.
- **HS Fall Retreat:** annual HS retreat for CYRO youth. This is a kick-off retreat. It is theme based. Usually this gathering is a chance for HS youth to center themselves spiritually at the beginning of the school year. We see anywhere between twenty-five and sixty youth at this retreat.
- **JH Winter Extravaganza:** annual JH carnival for CYRO youth. This is an overnight fun event. Yet another opportunity for great peer to peer ministry. This event serves anywhere between thirty and sixty youth.
- **Re-Connections Adult Conference:** annual adult event for youth ministry training and enrichment. This is a one day training event for adults. We have brought in nationally renowned speakers as well as local educators for our adults. We see anywhere between fifteen and seventy participants at this gathering.
- **Ski Retreat(s):** annual HS events for CYRO youth. This is a weekend ski retreat that brings youth to Idaho and Washington. We do two retreats because of the numbers. We serve anywhere between twenty and thirty youth and adults per retreat.
- **Search:** annual HS retreat for CYRO youth. This is one of the gems of CYRO. Our Search reaches almost one-hundred and fifteen youth and adults annually. We Search anywhere between twenty-five and fifty-five teens. Our support crews include almost twenty-five adults and another fifty teens. This is an incredible three day and two night gathering for all CYRO High School Youth.
- **Golf Scramble:** annual adult and youth event for entire community (fundraiser and outreach). This is event is our "most improved." All proceeds benefit the youth of CYRO either in our summer programming or directly through our budget. We usually see between twenty and forty golfers (both youth and adults) at this event.
- **Summer Mission Trip:** annual week long event for CYRO HS youth. Another gem in our list of activities. This event take youth and adults to a Native Reservation, Migrant Worker, or Urban location for mission service. We serve between twenty and thirty youth and adults for this incredible summer opportunity.
- **Creation Northwest:** annual week long event for CYRO HS youth. We have only done this event one time. We served twenty-six youth. This summer is looking to attract almost twice that many. This is a huge music festival in central Washington. It is a blast for youth and adults.
- **World Youth Day:** international event for CYRO HS youth and adults (every 2 or 3 years). We have attended two World Youth Days (Toronto, Canada and Cologne, Germany). We serve anywhere between twenty and fifty adults and youth for these incredible international opportunities.
