

Carpenter Dominic Mason died in 1989.

*Tomorrow, he'll renovate the playroom
at the local homeless shelter.*

As a carpenter, Dominic renovated homes for his clients. As a child, he and his mother found a home in a shelter when times were hard. A counselor there showed Dominic a future filled with opportunity, and he never forgot that life-changing vision.

Thanks to a bequest in his will, a few more children will have a chance to build their dreams. Include your favorite cause in your will or estate plan. Contact a charitable organization, attorney, financial advisor or local LEAVE A LEGACY® program to learn how.

How? After you have provided for yourself and your family in your will, consider what else is important in your life—where can You make a difference.

Your Parish...

All could use your support, no matter how modest. Let them know you care about what they do. Make a gift in your will to help them continue to provide the services that matter so much to you.

But... “I don’t know how to make a will.” ... “I don’t know how much I might need for myself or my family.” These are common obstacles people raise. You would be surprised how easy they are to overcome when you ask the right people.

ACT:

- Talk with your attorney and/or financial advisor about how you can make a gift through your will.
- Contact your pastor, pastoral director, or parish administrator and ask.
- Contact the Secretariat for Stewardship, CFO, Diocese of Lexington at 859-253-1993, ext. 238.
