

THE DIOCESE OF SPRINGFIELD-CAPE GIRARDEAU

Office
of the
Bishop

August 28, 2008

Dear Friends in Faith,

I am happy to endorse the efforts of the St. Robert Bellarmine Educational Association in its efforts to inaugurate Catholic radio in southern Missouri. From the beginning, its efforts have been coordinated under my supervision by officials of the Diocese of Springfield-Cape Girardeau. The association's hope is to provide Catholic programming in areas of southern Missouri which do not have the benefit of such programming at this time. The association is not officially affiliated with the Catholic Diocese of Springfield-Cape Girardeau, nor does this Diocese own the radio station. However, since the station asks to be recognized as one that broadcasts Catholic programming, the association has voluntarily placed itself under my supervision for authenticity of programming.

It is my hope and prayer that this new endeavor will bear much fruit and bring many people to the Lord through the teaching of the Roman Catholic Church. Thank you for whatever support you are able to lend to this effort.

With every best wish and prayer, I am

Sincerely yours in Christ,
