

DAVE VOSEN

On February 6, 2006 the community lost a valuable member, David Michael Vosen. Dave was a loving husband, dedicated father, bighearted grandfather, friend to many, and successful businessman. The ultimate goal of the Morning Star School/Dave Vosen Memorial Golf Tournament is to continue Dave's love of golf, his vision, his dreams, and his exceptional commitment to youth and community. The proceeds of the golf tournament will assist Morning Star School in continuing its mission in educating children with special learning needs.
