

Dear Parents/Guardians:

Welcome to the 2010-2011 school year!

May the Peace of Christ be with you!

This year represents an exciting new beginning for our schools. As we enter the first week of school, I can hardly contain the pride and delight that I feel to begin my first year as Superintendent of Schools for the Diocese of St. Petersburg. As Superintendent, my goal is to continue to lead the schools in the diocese to provide academic excellence, enriched with the Gospel values. I have had the pleasure to meet many dedicated administrators and teachers who dedicate their lives to the ministry of Catholic education and are eager to join me in providing quality Catholic education. However, you have an integral role in this effort as your child's primary educators.

The investment we make in our children's school career today will unquestionably ensure their success in the future. Therefore, be assured that your children are at the center of all our efforts. We, as you, want the very best for your children and expect to exert the greatest influence over their actions. They certainly derive benefit from your constant encouragement and support.

Rest assured that the Office of Catholic Schools and Centers is to your avail and assistance if needed.

Sincerely yours in Christ,

Alberto Vázquez-Matos

Alberto Vázquez-Matos,
Superintendent of Schools and Centers
