

The Next Step in Your Faith...

Catholic Leadership

Apply for the
Diocesan
Youth
Council

...Are you
ready to
serve?

Why You?

Because this is the next step you can take in your faith. You know your faith but this can help put it into action and bring others closer to God

Because there is 10% of our parish that does things actively, and the 10% of every parish makes up 100% of DYC

Because you will make friends who are just as passionate about your faith as you are.

Because you will broaden your faith horizons and have different experiences of your faith.

The Adventure

DYC is something bigger than you and you will experience a sense of accomplishment that you did something to help other people

Your service may change one person's faith FOREVER.

To Overcome

Stop following the crowd and instead grow by meeting new people and being more open to what God has for you.

Learn and grow from the challenges and struggles of being a leader.

DYC will give you many challenges and you will always be doing something to figure out an issue or a problem.

Step out of your comfort zone to help someone else step up.
