**“ Follow the Star that Leads to Life ”**

We welcome you to our 8th season of celebrating Simbang Gabi in the Northern Virginia area.

This year organizers had suggested that the theme be selected by the Fil Am Youth and after several months chose the theme, “Follow the Star that Leads to Life”.

Thanks to the youth for their time and effort in leading the community to a prayerful end of the year and welcoming the beginning of the ADVENT SEASON with GREAT JOY in anticipation of the coming of our Savior .

Since December 2000, we began celebrating one of our popular cultural faith traditions with roots tracing back in

1587. The Filipino Ministry of Northern Virginia has hosted

Simbang Gabi in different parishes throughout the Northern Virginia area. This year we will be in 19 different parishes.

It is our hope and fervent wish that in the true spirit of “Bayanihan” coupled with the nine days of spiritual preparation, we hope to bring about the process of building and strengthening of relationships among families, friends, and associations.

We invite you to reflect upon the message of love that the Christ child brings.

We invite you to come and prepare to celebrate a new dimension in looking at the Christmas season.

We wish you all a Blessed and Merry Christmas.

Paaralang Pinoy is an educational and cultural enrichment program designed for Filipino American children ages 4-16. Paaralang Pinoy has developed

Paaralang Pinoy has developed hands-on activities that will give your children fun-filled ways to learn Tagalog, and to develop a deeper understanding and appreciation for Philippine history, culture, traditions and values.

Why Enroll Your Child in Paaralang Pinoy?

It serves as a wonderful conversation opener between parents and children. Opportunities to engage your child abound as he or she learns about the Philippines and its culture. Research has pointed out that communication is key to maintaining an ideal parent/child relationship, especially children who come from bicultural backgrounds.

It provides your child a peer group and a social network of people that share his common background, interest, way of thinking and way of life.

It will help your child develop a strong sense of self as he or she learns about Filipino Americans who help make the United States the No. 1 country in the world.

It will help your child better understand the sometimes conflicting standards of being raised in a Filipino home and being an American in the mainstream.

Paaralang Pinoy will make your child prouder of you. Our Teaching Staff is composed of teachers and parent volunteers who share a passion for enabling Filipino-American children develop pride in who they are and their parents'

Paaralang Pinoy is an educational and cultural enrichment program designed for Filipino American children ages 4-16. Paaralang Pinoy has developed

Paaralang Pinoy has developed hands-on activities that will give your children fun-filled ways to learn Tagalog, and to develop a deeper understanding and appreciation for Philippine history, culture, traditions and values.

Why Enroll Your Child in Paaralang Pinoy?

It serves as a wonderful conversation opener between parents and children. Opportunities to engage your child abound as he or she learns about the Philippines and its culture. Research has pointed out that communication is key to maintaining an ideal parent/child relationship, especially children who come from bicultural backgrounds.

It provides your child a peer group and a social network of people that share his common background, interest, way of thinking and way of life.

It will help your child develop a strong sense of self as he or she learns about Filipino Americans who help make the United States the No. 1 country in the world.

It will help your child better understand the sometimes conflicting standards of being raised in a Filipino home and being an American in the mainstream.

Paaralang Pinoy will make your child prouder of you. Our Teaching Staff is composed of teachers and parent volunteers who share a passion for enabling Filipino-American children develop pride in who they are and their parents'
