

For years there has been a desire among the parishioners of Holy Angels to have a Sunday evening mass that would focus entirely on the gifts of our young people and present a contemporary message of the Gospel to our starving teenagers. This desire has become a reality with the start of 'The First Sunday Evening Mass.' Held on the first Sunday of every month at 5:30pm, this liturgy is filled with new music by the likes of musical artists heard on 99.5 The Fish. Raise your voices, accompanied by drums, guitars, bass, saxophones, clarinets, even a mountain dulcimer- all played by young people. Listen to guest priests deliver homilies with relevant, youth-friendly material. Hear scripture proclaimed by teenagers. Receive the body and blood of our Lord from the hands of a high schooler. Be greeted by the young energy of our youth. Come young, come old, come teenagers, come adults, come kids, come families, come all ages- all are welcome!

Join us on each first Sunday of the month at 5:30pm to worship!
