Art Show and Fine Arts Showcase

This year the Language Arts Committee is combining with the Art Show for the Fine Arts Showcase that will be on display Saturday after the 5:00 Mass and then again on Sunday morning after the 7:00, 9:00 and 11:00 Masses. Our Art teacher, Mrs. Donna Paczkowski and her Art students put together a wonderful show every year. The Art Show will showcase the artwork of many talented students. There will be refreshments, music and plenty of art for your viewing pleasure. In addition to the Art Show, you will be able to explore all three floors of the school to admire our fabulous writing displays. Teachers will be present to explain the writing work that has been done.

Energy Strips

Recently we have confiscated energy strips from a few of our older students. Energy strips are new on the market and are advertised as a dietary supplement. They come in the same form as the melt in your mouth breath strips, but are loaded with caffeine and are not recommended for children under 12. **These are not allowed in school.** If found in school they will be confiscated and parents will be notified. I believe every parents should be made aware of these energy strips and realize that our children do not need a caffeine supplement. If you would like to learn more about these energy strips go to their website, www.e6energy.com
