

The vision of Holy Family School
We, the staff and students of Holy Family School, pledge our whole heart, soul, mind and strength to love and serve God and neighbor by:

Drawing our strength from our faith.

Achieving 100% excellence in academics.

Becoming invaluable citizens in a global community.

Holy Family School Newsletter

January 31, 2012

Dear Parents and Guardians,

Light of Learning Award

We are pleased to announce that Mrs. Donna Bella, our preschool teacher, is this year's recipient of the Light of Learning Award. Mrs. Bella has been a dedicated teacher at Holy Family and St. John the Baptist for many years. On Friday, at the all school Mass, we will formally honor Mrs. Bella. Congratulations, Mrs. Bella.

Catholic Schools Week

This years National Catholic Schools week theme is the perfect description of Holy Family School. The theme is Catholic Schools, Faith, Academics and Service. **Faith.** Is and always has been the central value of this school. The ability to speak and think about God, the rich sacramental life of our Roman Catholic Church, a strong dedication to service, and the freedom to pray and worship are all hallmarks of our Catholic School. Our students are very fortunate to have a Pastor who is the spiritual compass of our parish and our school. We are fortunate to have our Sisters, Sister Joan Marie and Sister Annelle who are living examples of the joy of living a spiritual vocation. We are fortunate to have dedicated teachers who teach the faith and are examples for our students of living a moral Catholic life. **Academics.** There is nothing more joyous to a teacher than to see the students they have taught go on to achieve success in the upper grades, high school, college and when you have been around as long as I have, you have the joy of seeing your former students attain success in their families, careers and their contributions to the community. **Service** all you have to do is go back a couple of news letters ago and read the plethora of community service projects our students have done and will continue to do this year. Our students learn about virtues such as humility and selflessness. Holy Family School has always had a strong commitment in helping those in our community and around the world. Catholic Schools Week at Holy Family traditionally has been a week of celebration of our Catholic Faith and a fun time for students. If you haven't visited the book fair, please do so this week. The book fair will be open for business all week. Friday is grandparents day, please encourage the students grandparents to come to 8:00 Mass on Friday and then enjoy some free donuts and coffee after Mass. The grandparents may then tour the school with their grandchildren. Our community service project this week is the Diaper Drive. All packages of diapers donated will be delivered to the Women's Care Center. Our school goal is to collect 200 packages of diapers. If we reach our goal of 200 packages, Mr. Bud will wear a huge diaper all day on Friday. So help me make a fool of myself and bring in those diapers.
