

Student Pledge

I know that spiritual development and academic achievement is very important for a successful and fulfilled life. I also know that responsible behavior and respect for others will help me succeed in the future. Because of this, I will meet the following responsibilities at Holy Family School:

Principle One - Academic excellence is the means to a full life.

By agreeing to come to school on time each and every day, I support an environment that places academic excellence at the center of learning.

I agree to bring the necessary scholastic materials to my classes in order to put forth my best effort in achieving academic excellence.

I agree to remain accountable for all my work in and outside of class by refraining from plagiarism and other dishonest activities.

Principle Two - Each student can develop to his or her fullest potential.

I agree to accept both positive and negative consequences for my actions, in order to achieve my fullest potential.

I agree that I am responsible for having all my assignments turned in on time.

In order to develop all of my unique talents, I agree to seek help from my teachers.

In order to explore my student work, I agree to monitor my progress toward mastery of the ISTEP.

Principle Three - Each individual is unique and deserves respect.

In order to demonstrate respect, I will come to school dressed appropriately and follow the dress code.

I will show respect for my textbooks and all school property.

I will respect myself, my classmates, my teachers and my school.

Principle Four - A safe, nurturing community is essential to academic excellence.

In order to create a nurturing community, I agree to follow the rules of the school as outlined in the Student-Parent Handbook.

In order to benefit the community, I agree to participate in Holy Family School's community service opportunities.
