① Process-in From double doors @ Sacristy

② Line-up @ Sanctuary steps with Candles on outside, + to Priest's left.

③ Geneflect with Priest. (Cross bows) Then turn around and face assembly

④ when we sing, "At the Cross her Station keeping..."

Candle next to cross leads, single file down center aisle and stops so priest is in front of 1<sup>st</sup> station; turn and face station.

⑤ Priest will announce station number and say, "We adore you, oh Christ, and we praise you." Then, Candles + Priest GENUFLECT while all says "Because by your holy cross you have redeemed the world"

Then, remain standing until everyone sings "while she waited in her anguish."

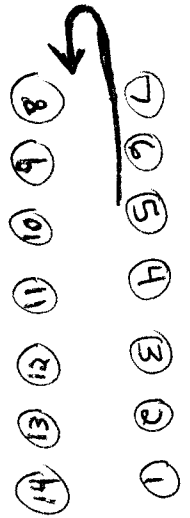

Then move to next station during song

Repeat

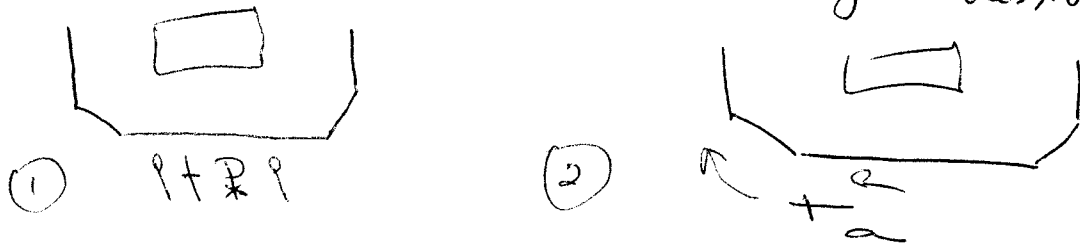

There are 14 stations, 7 on each wall.

They are arranged like this:

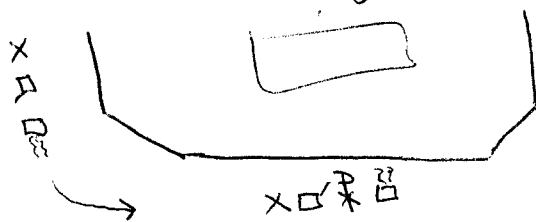

When moving from 7 to 8, process <sup>and turn around</sup> like a "train on a rail." Maintain same order with lead candle, cross, Priest, candle.

After last station, process back to the front of sanctuary steps, same as before, with candles on outside. Turn around to face assembly. We will all say a prayer together. When done, process out to sacristy with Cross leading Procession.

Immediately Get incense from Sacristy, process to front steps for incensing/adoration

After incensing, return thurible to Sacristy, add charcoal, go to Pew. Sit until Priest gets up

When priest gets up from kneeling,  
go to sacristy to get incense again.

Meet him in front of sanctuary + kneel.

When prompted by Priest, 3<sup>rd</sup> server gets up,  
places hummeril veil over his shoulders then  
kneels for Benediction. Thurifer incenses 3x each  
for "Father, <sup>3x</sup> Son, <sup>3x</sup> Holy Spirit" as Priest does  
Benediction.

When priest returns, remove Hummeril Veil and kneel.

We will say the "Divine Praises"...

When priest gets up to Return Blessed Sacrament  
to the tabernacle, get up and process out.

As usual, thurifer leads...

When you get to double doors, wait for Priest,  
then exit.
