

Church of the Holy Family
Week Three of Stewardship of Treasure
The Five Giving Principles
November 9, 2011

GIVING IS AN ACT OF PRAYER

Giving truly is an act of prayer, offered in thanksgiving from a heart of gratitude, and those with whom you serve "give thanks to God, praying with joy because of your partnership in the Gospel." We are grateful you have chosen to be involved in such a meaningful way and pray God's blessing in your life and in the lives of all those you love.

When we pray, we acknowledge that God is the giver of all good things. We pray, and we thank him for all he has entrusted to us. Throughout this total Stewardship of Treasure effort, prayer has helped embolden all we have done together.

In the seasons of ministry, worship and fellowship that are ahead- as you fulfill your commitments of service and support- please continue to pray. And remember the Five Giving Principles. Wise giving is a planned activity and represents a proportional, sacrificial and free expression of a generous and thankful spirit. It is also an act of prayer.
