HOLY SPIRIT Parish Education Foundation

Passing on the Tradition of Excellence to the Next Generation

The **Holy Spirit Parish Educational Foundation** is an endowment that relies on charitable contributions. The money donated is invested, and the earnings are used to enhance religious and academic programs.

The nature of a foundation is to always leave the principle (amount donated) untouched and to solely draw on the earnings (interest made).

Without these donations from individuals like yourself, the cost of and for educational programs at Holy Spirit

would be taken out of the parish budget or would result in tuition cost (see list of programs).

Over the past years, the Foundation has provided the school and religious education with over \$800,000, which has assisted with limiting any tuition increases. This has impacted hundreds of families.

Please help us pass on to the next generation the tradition of excellence in education and spirituality.

Programs Preschool - Eight Grade

Holy Spirit School is a kindergarten to eighth grade school whose mission is to promote the message and teachings of Jesus Christ. Parents, faculty, and students form a Catholic family of faith. The school challenges students to achieve their fullest academic and spiritual potential empowering them to make positive contributions within local and global communities.

Holy Spirit Preschool offers educational program for three and four year old children. The program offers the children an opportunity to grow and learn with self-confidence, independence and responsibility in a Christian

school environment. It is designed to be a pleasant, informal and developmental learning experience, which encourages a positive attitude toward learning.

“We have been blessed in our lives. Now it is our opportunity to see that the next generation continues to grow in faith.”

Quote from Peggy and Gary Novosad, devoted grandparents

Our Faith development programs
“Our Foundation relies on individual contributions to fund the programs that help build spiritual character and moral fiber of our students.”
 Father John

Religious Education

Formal Religious Education Classes are offered on Wednesday evenings for students who attend public school education programs. Classes are offered for students in first grade through eighth grade.

The classes promote the message and teachings of Jesus Christ. They strive to have the students attain their fullest spiritual potential to help them make positive decisions throughout life.

RCIA/Youth Groups

RCIA is provided for adults interested in finding out about the Catholic faith and pursuing a close relationship with God.

The Youth group is for teenagers to help them put to practice the faith practices they have been taught in their younger years. It brings together teenagers not only socially but spiritually.

Holy Spirit Parish Education Foundation Programs

“The success of our programs starts with the dedication and commitment from our pastor, staff, parents and support groups.”
