Our Lady of Fatima Parish School

The Tradition of Excellence

Since 1954, Our Lady of Fatima Parish School has been providing a high quality education to the young people of the tri-state community.

Our success has been built on a rigorous academic program, active spiritual formation, and a commitment to the virtue of stewardship. As a result, our alumni have gone on to successful lives in high school, college, and beyond, bearing witness to our *distinctive tradition of excellence.*

Excellence in Academics... Excellence in Service

Academic Program

The academic program at Our Lady of Fatima Parish School is rooted in our belief that all students can learn when placed in a caring learning environment of high expectations that is student-centered, standards-based, and focused on developing in students the critical thinking skills necessary in an evolving world.

Each day students at Our Lady of Fatima are educated by a dedicated staff of professionals, of whom over 50% have advanced degrees in education and/or their field of study.

All Fatima teachers are certified to teach by the State of West Virginia.

A Blue Ribbon School of Excellence, Fatima students routinely score in the top 10% of all students in the nation on standardized tests.

*Look around...
Wherever you find a
high school
valedictorian or class
president, you will
likely find a Fatima
alumnus!*

Spiritual Life Program

Fatima students learn that they are all called to serve God by serving one another. Students at all grade levels participate throughout the year in various service projects to serve the most poor and vulnerable in the tri-state area.

In addition to an engaging and rigorous religious education program, Fatima students participate in a dynamic liturgical and sacramental prep program, featuring weekly all-school masses, seasonal opportunities for the Sacrament of Reconciliation, and the reception of First Holy Communion in Second Grade.

A Superior Education ...
