

Homework Assistance and Skill Development (HASD)

The HASD program provides tutoring services and homework assistance in a learning environment that uses Workshop Way philosophy and teaching strategies. It offers students educational opportunities which complement their home and school program.

As a Tutor/Mentor you will:

- *Tutor/assist with homework in basic reading and math
- *Read with children
- *Play enrichment activities/games

Qualities of an effective Tutor/Mentor

- *Dedication
- *Flexibility
- *Compassion/understanding of different cultures
- *Creativity
