

What is T4T?

Theology-For-Teens (T4T) is an outreach series designed for the youth of the Diocese of San Bernardino, ages 14-18, using sports and games to include young people in full and active participation in their Catholic lives.

T4T is a total of four (4) gatherings that take youth into public places and allow them to experience Catechesis and Evangelization during the summer and winter months. The locations can change every year.

T4T brings youth together to share in their faith and to become living examples of Christ-filled leaders.

T4T is a new experience of community building by bringing local parishes and community youth together where they would most likely go to meet with friends and/or family.

T4T brings guest speakers qualified and motivated to deliver a special message for young people.

T4T looks at young people through the eyes of Christ, loving and living at all times.

T4T allows young people to meet in person and on Facebook to share their experiences, answer a review question of the event, and tell all their friends to be a part of the fun.

T4T invites a collaboration of cultures to bring witness and appreciation in the lives of the youth through faith sharing and fun.

T4T invites parents, as chaperones, to witness a change in their children's lives and allow the Holy Spirit to create new hearts forming stronger unity in the home.

T4T invites all youth groups to come together as the family of Christ to unite in an active role celebrating faith and community.

T4T is an opportunity to enlighten our minds, bodies, souls, and become Disciples for Christ today!
