

## **Seton Catholic School Admissions and Application Process**

### **ADMISSION POLICY**

Children of active St. Elizabeth Ann Seton Parishioners will have priority for admission to the school. Families need to be registered in the parish by December 31 of the year prior to entrance to receive the parishioner tuition rate. Families who have relocated from another Catholic parish outside the Lexington area will be considered parishioners with a recommendation from their former pastor. An active parishioner is defined by participation in prayer, ministry and finance.

Enrollment in Seton Catholic Preschool does not guarantee you a position in the Kindergarten. Preschool students must start the admissions process over when entering Kindergarten. This is to ensure that St. Elizabeth Ann Seton Parishioners have the opportunity to enroll first in our Kindergarten.

A summary of ranking for admission to the school is listed below.

1. Sibling of parishioner
2. Parishioner's children
3. Sibling of staff child already in the school
4. Staff (parish or school) child
5. Siblings of other Catholics already in the school
6. Other Catholic children
7. Siblings of other children already in school
8. Children enrolled in Seton Catholic Preschool who are not Catholic
9. Other applicants whose children are not Catholic
