Registration & Rates Information

Seton Catholic School is pleased to offer an Aftercare program that will provide students with a supervised location offering homework monitoring, healthy snacks, games, reading, and activities. The program hours are 2:50pm to 6pm on all full school days. Any student that is in the office at 3pm will be sent to Aftercare.

Any student who remains at 6pm will be considered a late pickup and there are rates below to cover this situation. If student is not picked up by 6:15pm, the program director will call the contacts to arrange pickup.

A contact form should be completed for each student to keep on file with the Aftercare Program Director. It is also mandatory that a parent or designated guardian sign each child out when they are picked up. This is for the safety of each child in the program.

Below please find the rates for participation as well as the discount programs available.
