

Super Bowl XLVI Soup and Subs – Feb. 5, 2012

First of all, the High School Youth Group is very appreciative of your support over the last three years helping us travel to do our mission trips. They have all been powerful experiences for us and we have met many others from outside of Plymouth who share a tremendous level of faith. This year we have decided to do an "AT HOME SUMMER MISSION." Our plan is to work with local agencies and our St. Michael community to duplicate some of the things we have been able to do in other towns and cities. We will have an over reaching theme for our mission and will spend evenings and overnights together learning, reflecting, and living our faith. All proceeds of our annual Super Bowl Soup and Sub sales will be used to finance this mission. We will need supplies for potential construction and fix up projects, materials for our programming, refreshments and meals, among other expenses. As we have in other places we believe this AT HOME MISSION will touch the hearts and lives of many people in our community. We also hope that this will give many adults from St. Michael an opportunity to work with us as chaperones or project leaders for a day, an evening, or longer. More information on those opportunities will be coming in future communications. If you have ideas or want to be involved in the planning of this mission, please contact Jack Davis.

If you are having a party or just need supper for Super Bowl evening, please use the bottom of this flyer to place your order and either put it in next week's collection basket, give it to one of our high school members, or email your order to jdavis6k@gmail.com.
