If you cannot serve on your designated Sunday, please call someone on the schedule to switch. Please check supplies before you leave, and if they are low, please call the church office to let us know, so we can re-stock.

Before leaving O'Bryan Center, PLEASE make certain that all lights and water (including the bathrooms) are turned off and that no commodes are running. Also – please take out the trash and reline the garbage container with a black bag found underneath the kitchen sink. Please leave the big door and small window open in the kitchen because of issues with the ice machine.

Once again, I thank you all for your dedication and service to the Lord!
