

**SAVE THE DATE -- 2012 Catechetical Leader Retreat**

August 3-4, 2012

Sacred Heart Church, Willow Springs

**Being, Knowing, Doing:** Participants are engaged in six 30-minute mini-in-services that can easily be replicated for their parish catechists, each one demonstrating how to form catechists in three crucial dimensions: being, knowing, and doing. The facilitators will model for participants how to creatively engage catechists with an approach that will help them discover, embrace, and proclaim their faith more effectively.
