

Catholic Home Study Service

Catholic Home Study Service invites you to learn more about our faith by studying at home. Nine free courses, faithful to the teachings of the Church, are available. When you request a course, you will receive a textbook and a workbook with study questions. After reading a section of the book, you can send your workbook answers to us either over the internet or by postal mail. We will make whatever corrections are necessary and answer any questions you want to ask. All who complete the course receive a graduation certificate. There is no charge for the course, and no one will call on you. You may take the course alone or with friends or family members. Go to this website for more information:
