

EDUCATIONAL CHANGE

LONG RANGE PLAN

7000
Because educational change is on-going, schools should maintain an up-to-date long range plan (LRP). This plan will eliminate crisis-planning when a decision is eminent.

CONSTRUCTION - NEW OR ADDITION

7010
When a parish or system wishes to initiate plans for construction of a building, or an addition, prior permission should be obtained from the representative diocesan offices in order to ensure the feasibility of the projected plan. The following offices will assist with planning:
Catholic School Office - enrollment and need (data-LRP)
Finance Office - financing of project
Facilities Office - construction

CHANGE OF EDUCATIONAL PROGRAM

7100

When a school wishes to add a grade, or eliminate a grade, this intention should be discussed with the Superintendent. A rationale will be required with the supporting data for the request before presentation to the Bishop.
